Hi Parents & Players,

As you will be aware we are transitioning across to using the Basketball Connect program.

With this in mind, when you register for the junior competition, you will need to merge your GameDay profile with your new Basketball Connect profile. When you register for the first time you will need to register as a new participant and it is important that you use the same email address you have in your GameDay profile. This way the profiles will be merged together and you will not be requested to pay your annual insurance twice.

In order for your child's registration to show up on the ipad scoring system, the registration below needs to be completed as soon as possible.

Please follow the instructions below to complete the registration:

- Once you merged your profiles, you will need to find the competition. Search "Coffs Harbour Basketball Association under Organisation Name. Then scroll down until you find the "2025 Junior Summer" product and click on this option.
- On the next screen tick the box under "Membership Details" and then select the "Registration Divisions" from the dropdown list, then click on 'Add Competition and Membership' at the bottom of the page.
- On the next screen complete all the Additional Personal Information, then click on 'Add Competition and Membership' at the bottom of the page.
- Complete all details on payment instructions screen. You can pay the full amount upfront or via instalments. You are also able to enter your active kids voucher, if applicable.
- If paying via instalments \$66 will be paid immediately and then the remaining value via 6 weekly instalments starting on 25 October 2024.
- Tick the terms and conditions box and select continue.
- On the final screen enter your bank account details or credit/debit card details for the payments to be processed. Click submit and a receipt will show up on your screen and be emailed to you.
